Stargazing in French Polynesia offers a unique opportunity to observe the planets as they dance across the night sky. Without the aid of telescopes, certain planets can still be distinguished by their distinct characteristics. For instance, Venus, often referred to as the "Evening Star" or "Morning Star", shines with a steady, silvery ...

Having functional ac in a tropical climate is essential and i find it shameful and expect more from a hotel that represents 5 star quality and prices. This lack of consideration for guests comfort i would expect in a low budget hotel. I did ...
