The Bosnia and Herzegovina football league system is a series of connected leagues for football clubs in Bosnia and Herzegovina. The system is hierarchical, with promotion and relegation between leagues at different levels. The top division is organized by the Football Association of Bosnia and Herzegovina, the second and third levels by entity associations, and lower levels ...

As the 1998 Madrid Implementation Council noted, "Bosnia and Herzegovina's structure remains fragile. Without the scaffolding of international support, it would collapse". The international community must now examine seriously its options for Bosnia and Herzegovina's future. These policy options include: 1. Pulling out immediately; 2.

The chapters address various aspects of the political system, such as institutions and state building, the legal system and the post-war constitution, as well as an examination of Bosnia and Herzegovina's place in the international community and their relationship with European Union and NATO.

Bosnia and Herzegovina consists of two entities: the Federation of Bosnia and Herzegovina and the Republika Srpska - and the Brčko District of Bosnia and Herzegovina. The Federation of Bosnia and Herzegovina is further divided into 10 cantons, each of which is governed by its own cantonal government. This structure results in a complex health ...
