Angola vision batt

The HFS series products are valve-regulated batteries designed for UPS products with high discharge rates. These batteries feature excellent short-term discharge performance and low cost, and therefore are competitive among battery products.

Vision HydraV provides a series of professional and reliable power solutions for various industries, and provides assistance for the development of passenger cars, logistics vehicles, forklifts, trams, power stations, base station backup ...

The FM series products are medium-sized valve-regulated batteries with a long designed service life of 10 years. As AGM batteries with a lean design, they are sealed, maintenance-free, and can be installed in any direction.

V-LFP48S are a new type of intelligent battery pack developed by Vision, with built-in DC/DC modules and modular hardware design. It is suitable for the installation of 19-inch cabinets. V-LFP48S has high-energy density, redundant safety design, long life, light weight, easy installation, maintenance free, remote monitoring, etc.

Security and Stability:The life cycle of the liquid cooling medium is more than 10 years, ensuring the reliable operation of the system.Dual FSS, combustible gas detection / exhaust / explosion proof design / re-ignition prevention. Smart and Efficient:Efficient and reliable liquid cooling system, powered by interconnected between thermal management system and BMS, helps ...

Vision Group provides lithium and lead-acid battery solutions for UPS applications. REVO lithium battery series, through the intelligent, modular, and green design, solve the customers" problems such as battery space occupation, complicated operation and maintenance, high replacement cost, difficult expansion and other problems, leading the future of UPS power development.

The REVO series is developed by Vision Group for various UPS products. Lithium batteries of this series use high-rate LFP cells and BMS system developed by Vision Group, and integrates a remote cloud management system and an intelligent fire protection module.
