Best generator for home backup power Guinea

Best Home Standby Generator: Generac Guardian 7209 Built in the United States, the Generac Guardian 7209 is the gold standard for home standby generators. Boasting up to 24kW of power, the Guardian can be set up to run on either natural gas or liquid propane as a fuel source (but you must decide this at installation time).

How is an inverter generator different from a standard generator? Standard home generators provide alternating current (AC) power. Inverter generators take in AC power, convert it temporarily to direct current (DC) power, and change it back to AC power for use. This produces a cleaner, steadier, and more consistent flow of power.
