

BYD HVM lanserades 2020 och är tredje generationens batteri. Den medför en lång rad förbättringar jämfört med tidigare lösningar. Att tillverkaren ständigt utvecklat konceptet och därmed arbetat bort barnsjukdomar och tagit fram förbättringar är en stark anledning till att vi på Wettersol resprakar BYDs batterier och flera andra, nya aktörers produkter vid val av batteri.

The BYD - B-BOX Premium LVS battery management unit is an essential part of the B-BOX Premium LVS battery storage system. It controls, monitors and protects the battery to ensure optimal performance and safety.
