

Who is ContourGlobal?

ContourGlobal is a reliable partner for communities, institutions and customers through innovative offtake solutions, including advanced power purchase agreements (PPAs) and hedging instruments, to maximize value creation.

What makes ContourGlobal unique?

While we strive for excellence in everything we do, operating our power plants efficiently and reliably, and minimizing environmental impacts, is at the heart of it all. ContourGlobal, a KKR company, is an established Independent Power Producer with almost two decades of growth trajectory with geographical and technological diversification.

Why should you invest in ContourGlobal?

In a rapidly evolving energy landscape characterized by surging clean technology investments, widespread adoption of renewables, and increasing demand for electricity, ContourGlobal is well-positioned to seize new opportunities and deliver sustainable value.

Is ContourGlobal refinancing a 518 MW cogeneration plant in Mexico?

ContourGlobal has announced the successful refinancing of a 518 MW portfolio of highly efficient natural gas-fired, CHP (combined heat and power) cogeneration plants located in Mexico.
