

Jost Van Dyke is the smallest of the four main islands of the British Virgin Islands. Jost Van Dyke, named after a famous Dutch pirate, has been a sailor's mecca for years. Like many of the neighbouring islands, it is volcanic in origin and mountainous. The highest point on the island is Majohnny Hill at 321 meters (1,054 ft).

We have seen that over the last few years that there has been an increase in the use of British Virgin Islands (BVI) trust structures in the Middle East and this relates to the diversification of family planning, the continued popularity of the BVI as a reputable jurisdiction, as well as major shifts in the global economy. There has been a dramatic alteration in the way ...

Located in the Caribbean Sea 100km (63 miles) east of Puerto Rico, the British Virgin Islands (BVI) is a British overseas territory. As such, the UK has responsibility for its defence and foreign affairs, and the head of state is King Charles III. BVI consists of four main islands--Tortola, Virgin Gorda, Anegada, and Jost Van Dyke--and more than
