It is Signed in May 2016, its registered capital is 762 million RMB and the total investment is 2.1 billion RMB, which has More than 800 employees. jiangxi anchi new energy technology co., ltd focus on the R& D, production and sales of square lithium iron phosphate battery, power battery and energy storage battery.

WEIHENG ECACTUS is one of the world's leading and fastest growing battery energy storage solutions provider. We design, manufacture, deploy, and service power storage systems for utilities and clear energy power generators including solar and hydrogen, industrial and commercial users, residential and distributed power storage.

UK Distributor Battery Energy Storage Systems Supplying Installers, Wholesalers and EPC companies in the Residential, Commercial and Industrial Sectors Learn More Who We Are We are a start-up organisation specialising in importing and distributing Battery Energy Storage Systems (BESS) to the UK market. ... Our primary | eCactus Solar. eCactus ...

We offer tailored, battery storage solutions for larger homes and commercial premises such as shopping centres, hotels, manufacturing and more. Our cutting-edge technology is reliable, streamlined and efficient - lowering electricity bills for homes and businesses across Australia. Find out more tod

The government of Romania will distribute EUR 103.5 million (USD 109.3m) to back the deployment of commercial and industrial (C& I) battery energy storage systems (BESS) that should go online by 2025.
