

Energie au Sahara : Une ONG pro-Polisario met en garde des multinationales. La Western Sahara Resource Watch, une ONG proche du Polisario, tente de torpiller la réalisation du projet de liaison électrique reliant Dakhla ; Casablanca. WSRW a invité ; cinq groupes internationaux ;

"This is a momentous victory for the people of Western Sahara. At a time when international law is under pressure, it is fundamental that the EU follows its own court and stops collaborating with the occupier through illegal trade agreements", stated Western Sahara Resource Watch. This morning, the EU Court of Justice issued a landmark ruling.

The initial stages of another renewable energy project has been launched in the disputed Western Sahara region, which is under the control of Morocco. The Janassim project recently launched its measuring campaign ...

It is almost impossible to overstate Western Sahara's importance to Morocco's fishing sector. As can be deduced from the Moroccan government's data, the Western Saharan coastal area accounted for approximately 73% of the quantity of Morocco's annual coastal and artisanal catches in 2020 terms of value, the catch from Western Sahara's coastal waters ...

The licence covered the northeastern part of Western Sahara, and parts of southeast of Morocco. It initially even covered parts of the territory of Western Sahara that is not under occupation, but under Polisario control. This was later adjusted to ...
