Last Thursday, Libya's National Oil Corporation (NOC) announced a significant increase in oil production, reaching 1.2 million barrels per day (bpd) just days after lifting force majeure on key oil fields and ports. This development comes as Libya resumes full-scale oil production following recent disruptions caused by internal conflict.

5 ???· Libya's state oil company, National Oil Corp (NOC), recently submitted a \$150m bid to acquire the shares held by Emirati firm Trasta Energy in the consortium it forms with the latter in Libyan Emirates Oil Refining Co (LERCO). NOC and Trasta each hold 50%. That bid is a counter offer and follows on from negotiations that both groups have been involved in for months.
