Sahara Energy Fields Holdings manages the rest of the Group's offshore upstream interests within Nigeria and across Sub-Saharan Africa, including Cote d'Ivoire and Ghana. From a consolidated standpoint, the upstream companies have demonstrated a solid track record of operational delivery, converting 2C to 2P and prospective resources to ...

"This is a momentous victory for the people of Western Sahara. At a time when international law is under pressure, it is fundamental that the EU follows its own court and stops collaborating with the occupier through illegal trade agreements", stated Western Sahara Resource Watch. This morning, the EU Court of Justice issued a landmark ruling.

As of April 2024, the project's developer, Xlinks First Ltd has received investments from Abu Dhabi National Energy Company (TAQA), TotalEnergies, and Octopus Energy, raising more than \$50 million for the project, with \$5 ...
