Division of Global Health and Human Rights in the Department of Emergency Medicine at MGH, met with the Ministry of Health in Sierra Leone regarding roll-out of ESM-UBT in the country. With their support and collaboration, he subsequently trained 100 ...

As of 11th August 2022, Sierra Leone has reported nearly 7,738 cases of COVID . However, a nationally representative survey in Sierra Leone showed seroprevalence was 2.6%, and an estimated 203,060 infections by March 2021, at least 26 times higher than the reported number of cases. Although many lessons were learned from the country's fight ...

forms & documents | Corporate Affairs Commission Sierra Leone. Hello our valued visitor, We present you the best web solutions and high quality graphic designs with a lot of features. just login to your account and enjoy ...

Results: Of the 201 women treated with an ESM-UBT device in Kenya and Sierra Leone, 189 (94.0%) survived. Six-week or longer follow-up was recorded in 156 of the 189 (82.5%). A causal relationship between use of an ESM-UBT device and one death, three perineal injuries and one case of mild endometritis could not be completely excluded.
