

Femadec Dredging Ltd. is a newly registered company established in 2009 to provide dredging and related services for the Nigerian Construction and Oil and Gas industry. Though a new company, the sponsors are well seasoned professionals with wealth of experience necessary for the day to day running as well as the core activity of the company.

FEMADEC Manufacturing Ltd has developed a structure that relies on innovation based collaborative networks with internationally established manufacturing service providers operating globally across various industries. We produce a variety of products that cater especially for Oil & Gas, Energy and Automotive industries in Nigeria and beyond.
