

What is Freudenberg E-Power Systems?

Freudenberg e-Power Systems helps customers with everything from application development to production, startups and services. Strong solutions especially come from strong partnerships. That proved to be true for Freudenberg's recently concluded contract with battery manufacturer LG Energy Solution.

Does Freudenberg E-Power Systems' new business unit pay off?

The new business unit Freudenberg e-Power Systems (FEPS) has been bundling the company's battery and fuel cell business into one organization since last year. The latest developments show why the move has paid off.

Why is LG Energy Solution partnering with Freudenberg E-Power Systems?

"The partnership with LG Energy Solution strengthens our world-leading battery products for the bus and truck market. Together we are in a position to offer our customers a unique lineup especially tailored for the market's demanding requirements," said Max Kley, CEO of Freudenberg e-Power Systems.

Does Freudenberg own XALT Energy?

Freudenberg has acquired the outstanding shares of the joint venture, XALT Energy, which has become part of Freudenberg e-Power Systems. The business unit develops and produces battery cells as well as fully integrated battery packs for the commercial vehicle and shipping industries.
