Being one of the southernmost batteries in Gibraltar, Harding's Battery was originally built on the site of the 7th Europa Battery. It's original design housed two 24 pounder cannons which were later upgraded in 1863 to two 32 pounder cannons. Five years later, a review was made on the fortifications of Gibraltar by Colonel William Jervois ...

O'Hara's Battery is a historic artillery battery located on the Rock of Gibraltar, offering a fascinating glimpse into the military significance of the area during times of conflict. Established in the 19th century, this battery is named after Major General Sir William O'Hara, who played a pivotal role in the defense of Gibraltar.
