GlassPoint's enclosed trough systems place the mirrors inside a "clean room" enclosure, protecting them from dust and dirt. The roof of the glasshouse enclosure is automatically cleaned every night by a robotic cleaning system. These systems have been in production for several decades and are a proven and robust technology.

ClassPoint is an all-in-one teaching and student engagement tool integrated seamlessly with PowerPoint. It helps educators, trainers to engage students in class as convenient and effortless as possible.

Gra&#231;as aos nossos parceiros da glasspoint fizemos esse luminoso fant&#225;stico feito de acr&#237;lico, que transformou completamente a visibilidade da fachada da Revolutech. Todo o desenho foi minuciosamente pensado, e depois da nossa aprova&#231;&#227;o as pe&#231;as foram cortadas &#224;laser e depois coladas na estrutura central. E o mais sensacional &#233; que ...
