Helio Energy is an NABCEP-certified provider of solar power solutions serving Massachusetts. Our goal is to make solar energy accessible to all by providing affordable, high-efficiency solar panel systems that give homeowners and businesses freedom from skyrocketing power bills.

Specialties: Helio Energy stands out in the renewable energy industry for several key reasons. With a combined experience of over 80-Years in solar photovoltaics, heating and air conditioning, energy storage systems, off-grid energy systems, and building construction, our depth of knowledge and expertise is unmatched. Our NABCEP certification further underscores our ...

Helio Solar installed our solar system and anytime we have the slightest issue, they were immediately responsive. To be clear, the only issues were minor and were fixed asap. They actually spent a few hours and two trips fixing our air conditioning even though it had nothing to do with the solar power!

Helio Solar is a solar plus storage, and energy efficiency company operating in the residential and commercial space. Through our highly refined approach to the implementation of solar and a site specific blend of high-efficiency energy improvement measures such as heat-pumps, geothermal, and building envelop improvements, we truly look to change humanities relationship with the ...
