

Ingeteam is awarded the French CRE's largest photovoltaic plant with energy storage, reinforcing its leading position in the field of insular electricity grids. The production capacity of the plant located on La R&#233;union island in the Indian Ocean will equal the average consumption of 13,500 people. 15th January 2014. Ingeteam, global leader in ...

Ingeteam Power Technology S.A. Energy. Avda. Ciudad de la Innovaci&#243;n, 13 CP: E-31621 Sarriguren (Navarra) solar.energy@ingeteam Tel: +34 948... See phone Fax: +34 948 288 001. Automatic: Manual: Enviar. Ofertas de Empleo.

Ingeteam, global leader in power electronics and electrical engineering, in consortium with SAFT, the world's leading battery manufacturer, and Corex Solar, a local constructor in La R&#233;union, have signed a multi-million euro contract for supplying the French CRE's (Comisi&#243;n de R&#233;gulaci&#243;n de l'Energie) largest photovoltaic plant with energy storage.

French battery company Saft will lead a consortium building a photovoltaic (PV) power plant combined with a lithium-ion (Li-ion) battery energy storage system on the island of La R&#233;union, Indian ...

with storage in Corsica and French overseas departments. This project, promoted by the French company Akuo Energy, is located on La R&#233;union island in the Indian Ocean. Its 9 MW production capacity equals the average consumption of 13,500 people. In terms of the storage system, Ingeteam is responsible for supplying the plant's power electronics

These are energy storage solutions that are compatible with different technologies (batteries, supercapacitors, etc.) which also include INGEGRID STATCOM functional features. ... Address: Ingeteam Power Technology, S. A. - Parque Tecnol&#243;gico de Bizkaia, Edificio 110 - Zamudio, 48170, Spain. Automatic:

Ingeteam is a market leader specializing in electrical engineering and the development of electrical equipment, motors, generators and frequency converters. It deploys its products in four main sectors: Energy, Industry, Marine and Railway traction,

3 ???&#0183; El Inversor H&#237;brido Ingeteam Ingecon Sun Storage 6TL M gestiona las bater&#237;as con avanzados controles de carga y descarga que garantiza la m&#225;xima vida &#250;til de las mismas ya

que su funcionamiento h&#237;brido en modo aislado no ...
