Britain reacted strongly to Iraq's claim and sent troops to Kuwait to deter Iraq. Q?sim was forced to back down and in October 1963, Iraq recognized the sovereignty of Kuwait. Q?sim was assassinated in February 1963, when the ...

OverviewHistoryRoleStructureInternational defense cooperationSee alsoBibliographyFurther readingThe armed forces of Iraq began to be formed by the United Kingdom after they assumed mandated control over Iraq after 1917. During the March 1921 Cairo conference, it was agreed that an Iraqi Army would be created along British lines, with British training and equipment. King Faisal wanted an army of 15,000-20,000 men.

The army actually grew from 3,500 in 1922 to 7,000 in 1927 and then to 11,500 in 1932. The army became a modernising influence in the country. In 1931, the Iraqi Air Force

The 2003 US-led invasion of Iraq transformed Iraq's political settlement by ejecting the previous elites from power and by initiating state-building processes with previously marginalised elites and different governance principles. Iraq's current day elites ...
