Ivory Coast 2024 Away Kit. Check out Puma's Ivory Coast 2024 away football shirt below. The Puma Côte d'Ivoire 2024 away shirt is predominantly white, combined with the letter "C" and the letters "I" together across the front to create a unique look. The design symbolizes the rhythmic dances performed during the festival.

For example, CIE has introduced tariffs as low as 1,000 CFA (EUR 1.5) so the least well-off can access the grid, while off-grid villages are benefiting from solar home kits and mini-grids, further enhancing the reach of electricity supply. The government also aims to triple power production to 6,600 MW by 2030, mostly by using IPPs.

In Ivory Coast, the municipality of Plateau in the city of Abidjan and the French company Dassault Systèmes, which specializes in design and modelling software, have just signed a partnership for the

digital transformation of this urban area for its sustainable development. The project includes the design of a virtual representation of the town.
