

What is a BMZ battery system?

This system enables homeowners to maximise their energy independence and sustainably reduce their energy costs. The BMZ Group develops and produces high-tech battery systems, which are installed worldwide in the most diverse products of well-known brands. In addition to OEM products, BMZ also manufactures battery systems with its own brands.

Why should you choose BMZ e-bike batteries?

As the manufacturer of these powerful batteries, we offer you the ideal energy source for every terrain and every tour - whether city, trail or commute. Rely on BMZ, the manufacturer that powers your e-bike adventure with innovative technology and the highest quality.

What is BMZ Power2Go?

BMZ offers two ultra compact models that are water- and dust-proof, can output up to 2400W in a single load, with surge capability up to 3600W. Featuring German-engineering and backed by BMZ USA, Inc. in Virginia Beach, VA, POWER2GO is powerful, reliable, safe, and at only 28 kg is lightweight and easy to handle.

In a world increasingly reliant on sustainable and efficient energy sources, lithium-ion batteries are setting new standards. Our lithium-ion cells offer you state-of-the-art battery technology that can transform your life and projects. In addition, ...

BMZ Group is a leading global provider of lithium-ion system solutions, specializing in the design and manufacturing of high-quality batteries for diversified applications, including heavy-duty electric vehicles.
