Cost of Living in Kiribati, including prices for 52 products in all the main cities in Kiribati. ... To calculate each city's Price Index value, we start by assigning a value of 100 to a central reference city (that happens to be Prague). Once the reference point has been established, the Price Index value of every other city in the database is ...

Mega pack "price reduced" to reflect purchases? I am new to this, but I see that the Mega Pack says something along the lines of "Already purchased some of this content? Don't worry, the price you see is reduced to reflect this." BUT, after purchasing some of the individual content (like the Bohemian house), the Mega pack price didn't change.
