

What are the benefits of living in Cyprus?

Along with safety, Cyprus offers other benefits for those who decide to move to the island: high-quality healthcare, an affordable cost of living, a large expat community, and short times of obtaining a residence permit. What are the disadvantages of living in Cyprus? Despite many benefits, living in Cyprus has some disadvantages.

Is Cyprus a good place to live?

On the other hand, Cyprus has limited job opportunities, one of the highest electricity rates in the EU, and a risk of tension between Northern and Southern Cyprus reappearing. The most popular cities among foreigners are Limassol, Nicosia, Larnaca, and Paphos. Limassol attracts most expats and has a modern and cosmopolitan atmosphere.

What makes Cyprus so attractive to foreigners?

In Portugal and France, this rate was 5 people per 1,000. Read on and find out what makes Cyprus so attractive to foreigners. Cyprus is one of the most popular tourist and immigrant destinations in Europe for a reason. Obtaining residency and living on this Mediterranean island provides several benefits, attracting foreigners for years.

Why should foreigners move to Cyprus?

Foreigners are attracted there by the mild climate, beautiful nature, warm sea, and affordable cost of living. People moving to Cyprus can enjoy high-quality medicine and optimise their taxes. Personal annual income under EUR19,500 is not levied, and the income tax for businesses is 12,5%, the lowest in the EU.

What are the disadvantages of living in Cyprus?

Despite many benefits, living in Cyprus has some disadvantages. First, job opportunities in Cyprus are limited, so expats looking for career opportunities can face difficulties. Although North and South Cyprus managed to settle the national conflict in recent years, a risk of political instability still persists.

How do foreign investors get permanent residence in Cyprus?

Foreign investors can obtain permanent residence in Cyprus. To qualify, they invest at least EUR300,000 in real estate, shares of Cypriot companies, or units of investment funds registered and operating in Cyprus. Permanent residence by investment is obtained in 3--6 months.
