Mayotte has had access to electricity since 1977; the electricity network has only covered the entire territory since 1990. [3] The only electricity supplier on the island is 'lectricit' de Mayotte, a soci' anonyme d'conomie mixte owned by the General Council of Mayotte (50.01%), 'lectricit' de France (24,99%), SAUR International (24,99%), and the State (0,01%).

The Solar Partnership of EDM and Sunna Design . An eco-citizen company committed to finding sustainable solutions for both people and the planet, EDM called on Sunna Design to help design an economical and ecological lighting system for the streets of Mayotte. It all started with a pilot project, initiated by EDM for its own premises, a way to introduce local communities and ...
