

Who is modex energy?

Containers and cabins with conviction... Modex Energy was first incorporated in 2011, in Hong Kong. Founded in China by Per Ingar Amlie, Paal Wilsgaard and Tore Ertzaas, it was perceived that there was growing demand in the offshore oil and gas market, for a dedicated manufacturer of service equipment.

What makes modex energy different?

Amlie, who is now based at Singapore and overseeing the company's operations in the Asia/Pacific region, believes that a key differentiator for Modex Energy is that it is the only truly integrated Cargo Carrying Unit (CCU) manufacturer and rental provider in the world.

How much does electricity cost in Saint Martin?

For Sint Maarten, the equivalent rates are roughly \$0.35/kWh. Like many islands, Saint Martin is highly dependent on imported fossil fuels, leaving it vulnerable to global oil price fluctuations that directly impact the cost of electricity.
