On Thursday 3 October, my right honourable and learned friend the Prime Minister and Mauritian Prime Minister Jugnauth made an historic announcement: after two years of negotiations and decades of disagreement, the United Kingdom and Mauritius have reached a political agreement on the future of the British Indian Ocean Territory. The treaty is neither ...

Newcrest Mining has secured approval to use the old Cadia Hill open pit in New South Wales (NSW), Australia, as a tailings storage facility. The approval was granted by the NSW Department of Planning and Environment and will enable Newcrest to use the first 200m of the open pit for storage purposes.

The situation in the British Indian Ocean Territory is completely different and not comparable, and I regret that in a way this decision has been made against the backdrop of a Conservative leadership contest, and that colleagues who know a lot better have sought to make partisan points with something so important.

British Indian Ocean Territory (BIOT) is a British overseas territory in the Indian Ocean. It is located 2,300 kilometres (1,400 miles) south of the Indian subcontinent, and is the southernmost point of land in the Indian Ocean.
