RTR recently celebrated the retirement of our own Mike Nowakowski in a manner befitting one of the greats: by retiring his number. The #37 represents Mike's years of dedicated service to the electric utility industry. Mike served as an outage engineer for RTR with style, class, dedication and uncommon humility. Mike is well loved,... [Read More](#) [Read More](#)

Starting his career in Pittsburgh, Ryan recently relocated to the Lehigh Valley to join the RTR team. He began providing Cost Analytics and Project Controls for multiple substation and transmission line projects and is now assisting Project Management on two substation rebuilds.
