

Raeford Parachute Center has been using the student Javelin containers, BOC throw out system for about 8 months now. We love it! Much more adjustable for multi-sized students, I like the main and reserve side main pilot chute deployment system, the cutaway system is universal, meaning even if the student pulls the emergency handles out of sequence, it will cutaway first and then ...

In collaboration with partners, PATH successfully introduced Sayana Press--a new formulation and packaging of a popular injectable contraceptive-- in Senegal and several other countries. Sayana Innovation for health: Other work in Senegal PATH's work to combat key health threats in Senegal also includes the following approaches:
