The Sunfit 100Ah 12V Gel Battery is a reliable energy storage solution designed for solar applications. Engineered with advanced technology, this deep cycle AGM battery ensures optimal performance and longevity for various energy needs. High Capacity of 100Ah: Provides extended energy storage, making it ideal for solar power systems and backup applications.

current product Rated Capacity is 12V65Ah, and its a Gel Battery or Gelified electrolytes, this battery is better than most lead-acid batteries as they are designed to perform at all conditions, you can use this battery for varieties of applications like integrated solar street light, you can use it as auxiliary power backup for your PHCN lights with an inverter, it can be part of the backbone ...

sunfit Solar Battery belong to the first generation of Solar Product manufacturers, the quality of the products has not waned down the years this current product Rated Capacity is 100Ah, and its a &nbsp; Gel Battery or Gelified electrolytes, this battery is better than most lead-acid batteries as they are designed to perform at all conditions, you can use this battery for varieties of ...

Deep cycle technology battery. Has a very long life span. It is a rugged and durable battery with a very low self discharge. It is suitable for both pure sine wave and modified sine wave inverters as well as for solar applications ep ...
