

Why do businesses use solar energy in Fiji?

With on-site solar energy generation in Fiji, businesses can generate their own electricity and become less vulnerable to power outages, grid disruptions, and energy supply constraints. Many organisations in Fiji switch to solar energy as part of their commitment to sustainability and reducing their carbon footprint.

Who is solar Fiji?

With over 18 years of experience in the solar industry and a track record of successfully deploying over 20MWp of solar projects in Australia and the South Pacific, Solar Fiji is your go-to renewable energy service provider in the region. Our quality workmanship and commitment to customer satisfaction set us apart from the competition.

Why should you choose solar Fiji?
