SMA is a solar icon. The German company was established in 1981, which is prehistoric in the world of solar, and for a long time the SMA string inverters, branded Sunny Boy and Sunny Tripower, were head and shoulders above any other on the market. In Singapore, from when the solar boom started around 2008 if you were to ask any solar installer which the best string ...

You don't need optimal conditions for your solar power system to be a great investment. One of the biggest myths about the financial viability of solar is that it requires a really sunny location and a east facing roof. While these may be ideal conditions, folks in Singapore with roofs that face other points on the compass, such as north, south or west-facing roofs, can still ...
