

Sungrow has launched its latest ST2752UX liquid-cooled battery energy storage system with an AC-/DC-coupling solution for utility-scale power plants across the world. The new system offers ...

French independent power producer (IPP) Neoen has secured AU\$1.4 billion (US\$890 million) in capital to fuel new solar PV, wind and energy storage projects in Australia. Australia awards 2.8GW of ...

Revealed earlier this week, the Haughton Solar Farm, a 100MW solar PV power plant located 60km south of Townsville, will add 300MW of solar PV generation capacity to the project, alongside a co ...

The battery energy storage system (BESS) arm of PV module manufacturer Canadian Solar has won a 800MWh order for a project in Arizona from Tucson Electric Power (TEP). Canadian Solar subsidiary e-STORAGE will provide its proprietary BESS solution SolBank for the 200MW/800MWh Roadrunner Reserve System project, that will be built by construction ...

Solar Power Portal. ... which combines wind, solar and a 12MWh battery energy storage system (BESS). The project, located 20km south of Rotterdam, features six wind turbines, 115,000 solar panels and a BESS with 12MWh of energy capacity. The 150m wind turbines have a max power output of 22MW while the solar farm can generate 38MW.

It was developed and built by investor Quinbrook Infrastructure Partners and independent power producer (IPP) Primergy Solar, which sold a 49% stake in the project to Dutch pension fund manager APG in late 2022.. Primergy reported that same year that lithium-ion battery and BESS manufacturer CATL would provide its technology for the BESS portion of ...

Solar Power Portal. ... (EOI) for a 400MW battery energy storage system (BESS) project in the UAE. The EOI process for the greenfield BESS was announced this week (7 March) by the utility, which operates primarily in Abu ...

As a flagship marina of IGY's global network, Yacht Haven Grande, St. Thomas continues to establish new standards within the global industry with this new solar power project. Notably, the 5 Gold Anchor Platinum Marina has won TYHA's International Superyacht Marina of the year an unprecedented 4 times and is one of the busiest charter ...

Solar power accounted for 12.3% of Bulgaria's electricity generation in the last 12 months. ... work at the project last month. Such progress at the St. George park is the latest encouraging ...

Prior to 2019, there was an ample number of insurers willing to provide renewable energy insurance, leading to plentiful, affordable cover being available for solar power project finance transactions.

A 58.5MW floating PV plant in Thailand, said to be the largest install of its kind in the country, has been connected to the grid, according to inverter and floating solutions supplier Sungrow.

Construction has begun on a solar-plus-storage project on the Caribbean island of St. Kitts & Nevis, backed by Leclanché, Solrid and MPC Energy Solutions. The launch of the SOLEC power plant is nearly 18 months later than expected with the start of construction first announced back in December 2020, covered by Energy-Storage.news.

The project was damaged amid a storm that tore the roof from one local resident's house. Image: Fighting Jays. Hailstorms have damaged the 350MW Fighting Jays solar project in south-east Texas ...

The Renalfa IPP project in Razlog has been claimed as the biggest project of its type in Bulgaria. It is also larger than the biggest project to come online so far in neighbouring Romania, a 6MW/24MWh BESS in that country's Constanta County, co-located with solar PV and wind generation plants. That project, by developer Monsson Group and ...

The state's utilities are playing a major role in storage adoption. Earlier this month, social media giant Meta, SRP and Ørsted announced a power purchase agreement (PPA) for a 300MW solar PV project with 1,200MWh battery storage was announced.. In October, developer Plus Power secured financing for two Arizona projects for which it has signed 20 ...

Solar Energy Caribbean offers reliable solar power solutions across the Dutch & French Caribbean, including Sint Maarten, Saint Martin, Saint Barthélemy, Saba, and Trinidad & Tobago.
