Out life is enhanced by Steven's design as we are warmer in the winter thanks to the solar gain and radiant floor heat and cooler in the summer thanks to the heavy insulation and the Atlantic's southwesterly winds We knew we were building an efficient home but only recently have we realized significant financial gain.

solarhouse ). Here, visitors can learn about the home's solar energy systems, listen to Bill's solar podcasts, and even participate in an online solar forum. "When we constructed our home, the issue of treading lightly on the environment was uppermost in our minds," says Bill, "though my wife suspected that the gizmos in the ...
