I knew little about solar going into my purchase of the 400 watt lithium kit sold by Renogy. Kit consisted of solid components, instructions were limited to a wiring diagram and the controller manual booklet but all was pretty straight forward.

PVGEN is very much customer orientated company, easy to engage with. They demonstrated a high level of patience and understanding once I signed the contract, I caused them some disruption while endeavouring to get my house re-wired resulting from PVGEN's initial inspection on my premises.

Editor's note: The release was updated on February 27, 2024, to correct a partner's name and on April 8, 2024, to correct the spelling of an island. LONDON--The Pew Bertarelli Ocean Legacy Project, working in partnership with the Great Blue Ocean coalition, today applauded the UK and local government's decision to vastly expand marine protections for the ...

1. South Georgia is not part of Antarctica. South Georgia and the South Sandwich Islands are a chain of sub-Antarctic islands in the Southern Ocean. They are located more than 2,000km from the continent of Antarctica but the reason many people associate the two is that many cruises to Antarctica also stop by South Georgia.. 2.
