

What's new at Bboxx?

Bboxx has announced two new solar energy products: Flexx10, an affordable 'plug and play' portable solar lantern, designed for rural customers and those who are mobile. These new additions expand Bboxx's offerings of clean energy, clean cooking, mobile technology, and accessible finance solutions.

How does Bboxx provide clean energy?

Bboxx provides clean energy through its systems, which all run on its comprehensive management platform Bboxx Pulse®. This enables clean energy access to be scaled to places previously considered too expensive or difficult to reach via traditional grid infrastructure.

What is Flexx by bboxx?

Flexx by bboxx is a new brand launched by Bboxx to help the company reach the other 75% of communities that it has not yet served, having already delivered clean energy solutions to over 2 million people globally, with substantial operations in countries including Rwanda, Kenya, Togo, and the Democratic Republic of Congo. Many of these products are aimed at the top 25% of rural communities.
