

What makes a good product storage solution?

Ensure you have the highest-quality product storage solutions built to stringent standards such as RMI, CSA, ISO 9001:2015 and others. Keep your project on time and on budget with Konstant project managers who ensure seamless integration with all trades and compliance.

Why should you choose Konstant for a warehouse storage solution?

Konstant delivers the ecosystem, expertise and experience to provide a warehouse storage solution based on your unique business challenges. Reduce last-mile costs, increase fulfillment centre resilience and automate your warehouse with a customized, efficient and economical warehouse solution.

How much inventory can Modula store?

The Modula system was able to store approximately 90% of our inventory - we couldn't believe it! Modula saves us hours every day in set up time and the convenience of having all our inventory in one location. When we needed service, we had it within a couple hours of our call and the problem was solved. We are really happy.

1 review of 55 DEGREES "Excellent wine storage in St Helena. All my deliveries go straight there which saves on shipping and keeps things cool. Reasonably priced and high quality service. They have good programs for locals and out of towners."

WARNING: Be cautious of management scams at St. Helena Storage. After my experience it is no surprise to read poor reviews about this place. I wish I had Yelped them prior to agreeing to do business here. I had recently moved to the area and was under a time crunch desperate for storage with limited time, so I chose to rent a unit here for storage.
