

What is EMD software & knowledge centre?

EMD is a software and knowledge centre supplying companies and institutions worldwide with software, consultancy services, training and know-how within the fields of project design, planning and documentation of environmentally friendly energy projects.

Can I enter Turkmenistan with a UK emergency travel document (ETD)?

You won't be able to enter or transit Turkmenistan using a UK Emergency Travel Document (ETD). If your ETD has been issued in Turkmenistan, you will need an exit visa from the State Migration Service of Turkmenistan or Department of Visa and Registration before you can travel out of Turkmenistan. This process can take up to 5 working days.

Where is EMD located?

Our main office is in Aalborg, Denmark, and EMD has regional sales and support offices in Germany, France, Spain, United Kingdom, Turkey, United States, Brazil, Argentina and China. PhD. EMD is leading the transition to a renewable energy supply to ensure a sustainable future.

Does EMD support the Global Compact?

At EMD, we support the UN's Global Compact, which is the world's largest initiative on corporate social responsibility. The Global Compact is a set of guidelines for how companies can contribute to solving the social and environmental challenges that come with globalization.
