Maximise annual solar PV output in Guatemala City, Guatemala, by tilting solar panels 14degrees South. Guatemala City, located in the tropics of Guatemala, is a great place for generating solar energy all...

Disease modification has become a well-established concept in several therapeutic areas; however, no widely accepted definition of disease modification exists for SLE. We reviewed established definitions of disease modification in other conditions and identified a meaningful effect on "disease manifestations" (ie, signs, symptoms and patient-reported outcomes) and on ...
