Portfolio was constructed using latest PV technologies, invertors and panels, in a collaboration with a leading Ukrainian EPC. ...

The cooking class was easily the best thing we did on our trip to Tuscany. We had a group of five adults and it ended up being a private class with Ilenia. She was a true delight -- infectious energy, tons of personality, and very knowledgeable. We started with complimentary espressos and juice, then made tiramisu from scratch.

In general, we identified the outside good (in the sequel, $i = 0$) as the good (group of energy products) with lowest market share. We denoted the observed market share ... Chang C.H.
