The Coach Harness Bess was a little different, with the Grice marked lock and very easily identifiable "Birmingham UK" modern day proof markings. The stock was designed by Kit Ravenssheer, and Sandy McNab, brass parts were by Reeves Ghoring and EJ blackly and the barrel I believe was a coach harness product. ... The barrels for the Dixie ...

Nepaleze Ghurka Marked Original 3rd Model Bess with New Stock runs \$695, and the barrel is probably bearing a British proof mark, AH but the parts were made in India in the 19th century...., could be by the same company making the "India" muskets today :wink:, though the barrels aren't welded like the originals were... It's not a proper musket ...
